## PowerSchool Parent Portal

### Parent Single Sign-On

**Parent Single Sign-On** will allow parents and guardians access to multiple students with one sign in to the PowerSchool Parent Portal. It will also allow each parent or guardian to setup their own personalized account and control email notifications for all of their students. The Parent Portal is available for middle & high school students only.

You may access the PowerSchool Portal by entering the web address or by choosing the PowerSchool link on the district home page at <http://www.mssd14.org>.
