## PARENT ACTION COMMITTEE

### Back to School Edition

#### Your PAC Mission Statement

*Our mission is to promote and involve meaningful parent participation and support in school activities by enhancing communication, enriching ideas, and providing resources to parents, staff, students and the community.*

### From our 6-12 PAC Chair

Hello Mustangs! I hope you all had a wonderful and restful summer and are all revved up and ready to start the school year. Your Parent Action Committee has been busy behind the scenes getting ready too.

PAC will be participating in several back to school events, and we would love for you to stop by our table at Parent University, Registration, or Open House to learn about PAC or just say hello. Event

dates and times are on the back of this newsletter.

Want to stay connected with PAC? Visit our Facebook page and join our Email list, and you will be among the first to know all the wonderful things we have planned.

Our meetings are the first Wednesday of the month in the HS Media Center. Our first meeting of the school year will be on September 1st. We will be discussing our pro-

posed fundraisers and projects for the year, and this is a great time to get involved and give us your opinion. Can't make the meeting? Feel free to email us your suggestions to [ms612pac@gmail.com](mailto:ms612pac@gmail.com).

Together, I know we will accomplish great things this year.

Hope to see you soon!  
All the best,

Dear Mustang Families, We couldn't be more excited to welcome students back for the 2021-2022 school year! Our school leadership teams have been working hard to prepare for a strong start. One priority for the middle school and high school is to increase meaningful parent engage-

ment opportunities. Our Parent Action Committee (PAC) helps students and staff in so many ways.

This year the PAC will continue to raise money for projects that directly impact students, such as funding mini grants for teachers to purchase materials for class projects. Additionally, PAC's mission includes supporting new families to our school district through outreach. The goal is to grow the number of parents who are involved in PAC so that we can be a

thriving team of parents and school leaders who work together to make our schools the best they can be.  
Sincerely,  
Dustin Cady  
& Jesse Hull
