PARENT ACTION COMMITTEE

Sept

2021-2022

Get Involved with Your PAC

Your PAC Mission Statement

Our mission is to promote and involve meaningful parent participation and support in school activities by enhancing communication, enriching ideas, and providing resources to parents, staff, students and the community.

From our 6-12 PAC Chair

Hello Mustang Families,
I hope your school year is off to a great start!

Thank you everyone who ordered from the PAC Spirit Store! We had a lot of orders placed, and PAC was able to raise over \$600!

Our next planned fundraiser is our Holiday Silent Auction in November. We are looking for donations of items for the Auction, as well as some help on the Auction Committee. For more information, contact us at ms612onlineauction@gmail.com

PAC will be using some of that

money next month - October is one of our Mini Grant review months, where teachers tell PAC what they need, and PAC is able to fund their requests for classroom extras that might not be funded in their regular budget.

Did you know that last year PAC bought some Keurig machines for MSMS and MSMS? The teachers love their coffee! PAC has put together a

Coffee Signup Genius

for coffee donations to keep the teachers caffeinated all year long. Consider signing up for a slot - or just bring a box of K-cups to your school anytime!

PAC has created an

Interest Survey

where you can tell us when you would prefer our meetings, what projects you would like to see us do, etc. We welcome and value your feedback! We'll be going over the results of the survey at our next meeting.

Our next meeting is scheduled for Wednesday, October 6, at 6 PM in the HS Media Center. We hope you will be able to join us!

Thanks,

Coralyn Gauvin

The high school is very excited to support the fundraising endeavors of the Parent Action Committee 6-12. The high school looks forward to partnering with PAC and implementing creative fundraising methods. PAC's purpose is to provide additional funds for education opportunities and enhancements, so that our students can receive the very best educational tools for success.

Please consider volunteering for PAC to help us support Deep Learning opportunities for our students.

Dustin Cady

MSMS

It has been an exciting month of learning at the middle school. Some highlights have included the Homecoming Parade, Spirit Week, and all of the outdoor instruction that has taken place. This week, the middle school team is excited to begin Enrichment classes on Thursday after-

noons. Students will choose an Enrichment class (such as Sign Language, Creative Writing, or Science Experiments, to name a few).

These classes are not for a grade. The purpose is for students and teachers to be creative, build relationships, and have fun. I look forward to seeing many of you at our upcoming October PAC meeting!
