MSHS Student Council heads west for collaboration, learning

On Oct. 14 and 15, Student Council students traveled to Palisade High School to attend the Colorado High School Activities Association Student Leadership Fall Summit. They connected with students from the western slope, presented a workshop, and learned new ideas to improve our own StuCo practices. These opportunities are so important for their growth as student leaders and the impact they have on our school community.

Big thank you to Gabby!

Manitou Springs School District is fortunate to call Gabby Santos a member of the Mustang Alumni!

We are also very fortunate to have her as our district contact tracer. All the members of the COVID Response Team have a great deal of respect for the tireless work that she engages in on a daily basis.

Gabby also coaches volleyball and girls basketball for the district, as well as jumping in as substitute teacher when she can.

Thank you, Gabby, for your knowledge and hard work to keep as many students engaged in deep learning as possible each day!

Middle and high school choir concert a success!

Congratulations to choir director Abby Steen and her students (middle and high school) for an amazing performance at the District Auditorium on Oct. 20. Abby and her students put in a ton of work organizing and preparing for the concert. It was so fun to see students, families, and staff enjoy some in-person performing arts. Great job, Abby!
