

Manitou Springs School District 14 and Partners for Healthy Choices is committed to supporting the students and families of D14 during this Worldwide Pandemic.

We have had numerous individuals reach out and ask how they can support with food donations. At this point we are suggesting monetary donations for our Food Pantry so that we follow the best practices and guidelines suggested by CDC during this Covid-19 outbreak.

If you, or someone you know would like to make a donation to our District Food Pantry, **checks can be made payable to: Manitou Springs School District 14. In the memo line please write PHC Food Pantry.** You can mail your checks to: 405 El Monte Place Manitou Springs, CO 80829.

All donations are greatly appreciated and we will send you a tax donation receipt, so please provide your address if it is not printed on your check.
